

E-Newsletters from President Amanda

September 2, 2025

Welcome to the 2025-2026 School Year! I will be sending out your first weekly email this Friday. At this time, I, on behalf of your Local Executive, would like to wish you a fantastic first day of the school year.

If you have any questions or concerns, please do not hesitate to reach out to the Local Office at 519-427-6993 or via [email](#).

Stay Safe and Healthy,
President Amanda

September 5, 2024

I want to apologize in advance for the length of this email as I am providing a lot of start-up information including Professional Learning Funding, Annual Training and important dates for this school year.

Health and Safety

I want you to be aware that the deadline for your annual training is September 30. This is noted in our Collective Agreement and if you do complete your training prior to the deadline, you will be compensated for a half day (0.5 FTE) pay on February 15.

Measles update - measles is still a concern in our area. To ensure that you are protected you should have a copy of your immunization record or schedule an appointment with your physician to confirm that you have immunity. You can monitor measles on the public health [website](#).

Please ensure that you are receiving a key when arriving at school so that you can lock your classroom door. This has been a requirement of our CA since 2012. It has been an ongoing issue in previous years and it is your responsibility to report lapses to the Local. Dates and locations are necessary in order to ensure that schools have enough keys.

I would also like to ensure that you are completing Incident Reports anytime that

you experience a violent incident at work. This can be a student, a colleague or a visitor to the school.

Professional Learning

We are looking forward to providing you with some great PL opportunities this school year. If you have any suggestions, please complete this [google form](#) and we will attempt to provide that program.

Professional Learning Funds

The Executive met last night and have decided on the following process for Professional Learning Funds. Professional Learning Funds have been set at \$10 000 for this school year.

You can access the updated PL Funding Guidelines [here](#).

Members can also access up to \$35/school year for Professional Resources. Please click [here](#) for the Application Details.

OT Website

Did you know that ETFO has a website specifically for Occasional Teachers? You can access the website through ETFO Secure or by visiting this [link](#). You will be automatically redirected to ETFO Secure so please ensure that you have setup an account with ETFO Secure. If you do not, click the Register Today button on the redirect.

September 19, 2025

We have survived the first three weeks of the school year! You may have heard some rumblings regarding Bill 33. This Bill will remove Trustees from the Governance of District School Boards. If passed, the general public will lose their representation at the Board level. Trustees are publicly elected representatives and are the voice of the general public and put our Boards directly in the hands of the Provincial Government. To find out more about the role of the Trustee, click [here](#). This is a very scary situation. Please continue to monitor the progress of Bill 33 and reach out to your Provincial Member of Parliament to advocate for them to speak out against and vote down Bill 33.

I am going to start including a "Bargaining Bite" each week for the remainder of the school year. These "bites" will include information from our Local (Part B) of our Collective Agreement and pertinent information from Part A that impact Occasional Teachers.

Bargaining Bite #1

13.01 During the term of this Collective Agreement, the Board shall make available up-to-date in-school information for Occasional Teachers. This information shall include: a timetable for the Occasional Teacher's assignment (including supervision periods), a schedule identifying period times, an up-to-date class list, a seating plan, a floor plan of the school, an outline of the school day (including opening procedures, washroom procedures), fire drill and emergency procedures, written information on school discipline procedures, information on access to equipment and sources of assistance, and a list of students with special health-related including a history of violence or other needs. The Board shall ensure that, to the extent possible, lesson plans and textbooks are available for the class in the casual occasional teaching assignments.

Provincial Bargaining's focus this round will be surrounding Class Size. There are some shareables that you can feel free to use which can be located on the [ETFO CB](#) website.

We are planning on hosting a "Boys' Conference" this school year, after a two year hiatus, for intermediate division boys. If you are interested in joining the planning Committee, please reach out to Maryanne Goldsmith.

Please feel free to reach out to the Local Office with any questions or concerns by phone at 519-427-6993 or via [email](#).

September 26, 2025

Did you know that the Board offers free AQ Courses for Teachers, including OTs? Daily OTs can access one fully paid AQ Course through the Board over the course of the school. AQ offerings are from Brock, Lakehead and Six Nations Polytechnic. You can find more information in the Staff Portal on the landing page or through *Programs>Leadership Training and Development>Additional Qualifications*. If you are interested in pursuing an AQ Course that is not being offered by the Board, you can apply for up to \$450 from the Local for Professional Learning. Please see our PL Guidelines [here](#).

This school year, we have been experiencing a number of concerns with Board Employees and Social Media. Please ensure that you are remaining professional at all times, even outside of school hours. You could be called in for a meeting with HR if your posts on Social Media do not meet the Board's [standards](#) or the [standards](#) of the OCT.

The Local Bargaining Affiliates have arranged a "Meet and Greet" with the Trustees. Please see the [flyer](#) for more information and to register.

Bargaining Bite #2

8.03 (a) The Board reserves the right to remove an Occasional Teacher from the Roster if they are unavailable for assignment and/or does not accept at least twenty (20) FTE days of work in the period of September 1 to June 30.

(b) For an Occasional Teacher returning from a leave of absence or new to the Roster during a school year, the days to be worked shall be pro-rated based on the time the Occasional Teacher is active on the Roster during the current school year.

(c) The Board will advise the Local Occasional Teachers' Union President in writing when an Occasional Teacher is removed from the Roster pursuant to 8.03(a).

(d)Part-time permanent teachers are not required to meet the above requirement.

(e)The days worked by Occasional Teachers for Federation business shall be counted towards the required FTE days.

I chose this selection as I have been receiving emails regarding the number of days required to teach throughout the school year. There is no longer a requirement to teach x-amount of days per term.

If you have any questions or concerns, please do not hesitate to reach out to the Local Office by phone at 519-427-6993 or via [email](#).

October 3, 2025

I hope that you had some time to enjoy the beautiful weather this past week. It is hard to believe that it is October already!

We have some exciting events coming up this month including our first General Meeting of the school year. We will be hosting you at the Best Western Brantford Hotel and Conference Centre on October 22, 2025. We will start with mingling from 4:00-5:00pm with Business starting at 5:00pm. Our Executive Liaison will be joining us for the evening. We will be reviewing our Annual Budget and are looking for anyone who is interested in filling a vacancy on the Executive as Executive Member at Large. To register for our General Meeting, please click [here](#).

If you are a Member who has been identified as being in your first five years, you will be receiving a second email with information on exciting events that are coming up for our New Members. This is part of our engagement strategy in reaching out to our newest Members.

Bargaining Bite #3

8.05 In filling casual occasional assignments, the Board shall endeavour to secure a qualified Occasional Teacher. When the Board is unable to assign a qualified Occasional Teacher, the Board, subject to the limitations contained in the Education Act, is entitled to employ an unqualified person. On a monthly basis, the Board agrees to provide the Union the dates, if any, on which an unqualified person was employed as an Occasional Teacher.

I receive information regarding the use of unqualified (also known as unCertifieds) on a monthly basis and I track this information. I can tell you that the use of these individuals has decreased significantly over the past year (2024-2025 compared to 2023-2024).

We are standing in support of our Canada Post Workers in Ontario and across Canada. Please consider showing your solidarity by joining a [picket line](#) near you.

Please do not forget about our Trustee Meet and Greet on October 8, 2025. You can sign up [here](#). Trustees play a huge role in Public Education. Bill 33 has been proposed and will allow a pathway for the Government to eliminate Trustees. To learn more, please read the [Bill 33 Information sheet](#).

If you have any questions or concerns, please do not hesitate to reach out to the Local Office at by phone at 519-427-6993 or via [email](#).

October 10, 2025

Bargaining Bite #4

10.04 - A long-term Occasional Teacher in a full-time long-term occasional assignment may only apply for another long-term occasional assignment if the start date of that assignment is after the end date of the assignment that they are currently in. The exception to this is if the long-term Occasional Teacher applies for, and is awarded, a full-time position while in a half-time assignment. This right can only be exercised once in a school year.

We are standing in support of our Canada Post Workers in Ontario and across Canada. Please consider showing your solidarity by joining a [picket line](#) near you.

If you have any questions or concerns, please do not hesitate to reach out to the Local Office at by phone at 519-427-6993 or via [email](#).

October 17, 2025

With the Ontario Legislature starting back next week, we invite you to wear red to support Public Education and oppose Bill 33 on Monday. Please see the attached poster for more information.

I was also notified of the issue with the Smartfind Express app displaying "invalid date/invalid time." I have reached out to HR to have this investigated. This issue only impacts Apple users. Apple users must update their app to the latest version. Updating

the app is also recommended for Android users but is not necessary at this time. There is no issue with the website itself so please feel free to check on the website to confirm your assignment details.

While at the Joint Occupational Health and Safety meeting yesterday, we had some extensive discussions specifically regarding workplace violence reporting as well as workplace injury reporting. It is important that you complete the necessary reports as soon as possible after an incident. If you are reporting an incident of workplace violence, if you are in a LTO, you can collect data from an individual student over the course of the day or week to complete one report rather than 10-15 reports for one day/week. If you do so, please ensure that you label each incident so that we, the JOHSC, can determine the number of incidents being reported. If there is a significant event, please complete a report for that event individually. As a daily OT, please complete the reports as they occur unless if you are in a multi-day assignment and there is a student with a history of events which can be reported at the end of your assignment (Staff Portal>applications>safe schools/workplace violence incident reporting tool). If you are injured at work, whether or not you seek medical care, please complete the injury report form (Staff Portal>applications>injury report). If you require any assistance, please do not hesitate to reach out.

Our first General Meeting of the school year is next week. We will be hosting you at the Best Western Brantford Hotel and Conference Centre on October 22, 2025. We will start with mingling from 4:00-5:00pm with Business starting at 5:00pm. Our Executive Liaison will be joining us for the evening. We will be reviewing our Annual Budget and are looking for anyone who is interested in filling a vacancy on the Executive as Executive Member at Large. Bargaining Bite #5

27.04 In accordance with the Occupational Health and Safety Act, no occasional teacher shall be discharged, penalized or disciplined in any way for making a complaint relating to health and safety or for otherwise seeking to enforce his/her rights in any matter related to health and safety.

October 24, 2025

Happy Friday! This week has flown by as your Executive has been very busy! First of all, I would like to personally thank those of you who came out to our General Meeting on Wednesday evening. We approved our Annual Budget, heard from our Provincial Executive Liaison and hosted elections for the vacant positions on our Executive. I would like to congratulate and welcome Bobbi Ryerse as our new Social Justice and Equity/Status of Women Chair as well as Erika Van Stowski as our new Member at Large. I would also like to thank those of you who put your names forward for these positions. We will be hosting Elections again in the Spring at our Annual General Meeting for the 2026-2028 term.

Your Executive attended the Breakfast of Champions this week (a fundraiser for breakfast programs in Brant/Brantford) as well as Local Equity Training. We had a full day that ended with our Executive Meeting. At our Executive Meeting we also discussed the Alberta Teachers' Association and the lockout. We made a motion and have donated \$500 to their cause. We will also be sending out the Local Collective Bargaining Survey next week. Please take five minutes to complete this survey as it provides the Collective Bargaining Committee with valuable information as we prepare our Preliminary Submission. Our current Collective Agreement expires on August 31, 2026 and we need to be prepared for the next round of Local Bargaining.

You may have heard rumours about Red for Ed t-shirts. Yes, GEETF is ordering them for their Members. Your Executive discussed this at our Executive Meeting on Tuesday and decided that we would provide the link for you to order your own should you wish but we will be giving a limited number away at our Seasonal Social. With the logistics of distribution for OTs, we decided that a bulk order would be too difficult for distribution. If you would like to order one for yourself, please visit shopETFO there are two options ([option 1](#) and [option 2](#)). ShopETFO also has some great resources available which you could purchase and apply for your \$35 [resource subsidy](#).

We also shared more information about Bill 33. Please view a summary [here](#). The Local Affiliates sent letters to our MPPs - Will Bouma and Bobbi Ann Brady requesting that they vote against the Bill when it is introduced. We will be holding information distributions (Walter Gretzky on October 31 before school) as well as outside of MPP Bouma's Office (date to be determined). These information distribution events will be open to anyone who would like to participate and we would encourage you to print out the [information sheet](#) and give it to neighbours and family members. We need the community to be aware of the dangers that Bill 33 holds and encourage them to reach out to their MPPs.

We have two events coming up for new Members but anyone is welcome to sign up to learn more about [what they do not teach you in Teacher's College](#) (October

29) attendees will receive a free book as well as to [learn about ETFO](#) (November 6).

We also have our [Crock-a-Doodle](#) event coming up on November 10 in Brantford. This event is open to everyone and there is a limited amount of space remaining so sign up today!

I hope that you have a restful weekend and that we have good weather after this rainy week. If you have any questions or concerns, please do not hesitate to reach out to the Local Office at 519-427-6993 or via [email](#).

October 31, 2025

Happy Halloween! I cannot believe that October is finished and we are moving into November already! This past week has been very busy. I was in Toronto for three packed days. I was able to observe our Provincial Executive on Tuesday during their meeting and on Wednesday and Thursday I was representing our Local at Representative Council.

We hosted our first Professional Learning event on Tuesday evening - "New Teacher Confidential" and we had a great turn out! Thank you to everyone who came out.

Our next event is the Welcome to ETFO New Members program which will be hosted in Brantford on November 6, 2025 at the GEETF Office. The registration deadline has been extended. For more information and to register, please click [here](#).

Our next social event is at Crock-a-Doodle on November 10, 2025. You can view the flyer and register [here](#).

We are also hosting a Technology workshop, in the morning, on November 14, 2025 (PA Day). We will have a maximum of 30 participants and you will be paid for the half day at the daily rate. At this time, we do not have the sign-up link, the Board was working on this, but the details can be found on the flyer [here](#).

Bill 33 update - We, along with our Local Affiliates, hosted an information picket before school this morning at Walter Gretzky. We handed out pamphlets to community members and answered questions regarding Bill 33. We also sent joint letters to our Local MPPs - Will Bouma and Bobbi Ann Brady. There is a lot of information available on ETFO Secure for you to print and handout to family members and, if you are in an LTO, provide (on your desk) to parents during parent-teacher interviews. It is recommended to have the printed materials visible and refer to them for parents to take, if they wish to do so. You can use this [link](#) to find the materials. We will be at Grand River Public on Tuesday, November 4, 2025.

"Say NO to Bill 33"

Community information picket in front of
[Grand River Public School /](#)
[Pope Francis Catholic Elementary School](#)

Tuesday, November 4th
7:45 to 9:15 a.m.

Bill 33, tabled by the Ford government, is a distraction of the 6.5 billion dollars of cuts to public education over the last seven years.

Together, we stand united against Bill 33 and demand a public education system that puts students and communities, not politics, at the center.

Bill 33, combined with years of chronic underfunding, will deepen systemic inequities, erase parent and community voices, and erode the foundation of democracy.

Your Local Collective Bargaining Committee has been working hard on our survey for Local Bargaining. Please take three minutes to complete this very important [survey](#). We will hold a draw for \$25 gift cards for those who complete the survey and if you refer someone to the survey, you will receive an extra ballot!

Bargaining Bite

1. *02a) An Occasional Teacher shall have the same timetable and the regularly scheduled preparation time of the Teacher being replaced, unless reassigned with mutual consent.*
 - a. *Where there is an unfilled classroom assignment, reassignment of the Occasional Teacher may be necessary at the discretion of the Principal to address student needs.*

You must consent to the reassignment unless if it is for student safety. If it is for student safety reasons (you are there to cover a prep teacher and there is no homeroom teacher) you have the right to say no. If it is for student safety, you can agree but let the Admin know that you are only doing so as there are student safety concerns.

If you lose a preparation period during your daily OT assignment, please remember to complete the [Lost Prep Time form](#) and submit it to Human Resources. The form can also be found on the landing page of our website (which is linked in every email at the bottom of the page). We are currently working through unpaid prep time from the 2024-2025 school year to ensure those daily OTs who were not repaid their lost preps are properly compensated. If you have an outstanding lost prep, please reach out to the [Local Office](#).

The Local Office can be reached by phone at 519-427-6993 or via [email](#).

November 7, 2025

We have made it through the time change and first week of November, congratulations! I hope that you had a great first week of November.

This month the Board will be trialing a one (1) minute response time for text responses to assignments. Please provide any feedback on this experience by the end of the month. You can respond to the survey [here](#).

Last weekend, I joined our Labour partners at Labour Cares. The Local made a donation of warm socks, hats and mittens to our unhoused population in Brantford. Other items donated by our Labour partners were non-parishable food items as well as some bakery items. We also had a surprise appearance from the Local President of the Bluewater Occasional Teacher Local! This is a great annual tradition and makes a difference in our community.

Our paid PL half day is coming up quickly and the sign up is now open. To view the flyer and registration process, please click [here](#). This event will be held on November 14, 2025 in the morning.

We have our first Zoom Check-in coming up on November 19, 2025 at 7:30pm. To register, please click [here](#). This is a great opportunity to meet your Executive and ask any burning questions.

Our Seasonal Social is also approaching, we are hoping to see you out for an evening of games and prizes with guests from the Board as well as Honourary Members. Our Social will be hosted on December 3, 2025 at the Best Western Hotel and Conference Centre in Brantford. To register, please click [here](#).

Please do not forget to complete the [Bargaining Survey](#) for our Local Collective Bargaining Committee!

*Unused sick days can be carried over into subsequent LTOs during the same school year.

On a personal note, you may have noticed on any emails that you have sent to the Local Office, I have changed my last name. If you are looking for me in the Board email, I will no longer be found under Amanda Baxter. My new email in the Board email system is Amanda Gagnon. While it is best practice not to use the Board email system for Union Business, I do know that some Members still use this platform. If you have any questions or concerns, please contact the Local Office by phone at 519-427-6993 or via [email](#).

November 14, 2025

What a great turn out today at our half-day paid Technology Workshop! Thank you to everyone who joined us this morning. We have two upcoming events before the Winter Break.

We are still collecting responses for our Collective Bargaining Survey. To participate and qualify for the gift card draw, click [here](#).

Bargaining Bite

This bite comes from the Central portion of our Collective Agreement. Letter of Agreement #5

RE: Occasional Teacher Ability to Lock the Classroom Door
School Boards will continue to ensure that Occasional Teachers have the ability to lock and unlock the classroom door.

You should always be given a key to lock your classroom door when you arrive at an assignment. This letter has been part of our Central Agreement since 2012. I know that some schools are not giving out keys to Daily OTs. This is a major Health and Safety concern. If you have not received a key when you have arrived for a daily assignment, please let me know [here](#), I am collecting emails (for further details, if required) but your responses will remain anonymous (I will not share who participated in the survey with the Board). I am trying to gather the data to bring to the Board.

November 19, 2025

Happy Friday!! I want to apologize for my tardiness this week and will keep this email short.

Our Seasonal Social is approaching quickly and we would love for you to join us! We will be enjoying some mingling, games and prizes followed by a buffet dinner on December 3, 2025 at the Best Western Brantford Hotel and Conference Centre. To register, please click [here](#).

If you have any questions or concerns, please do not hesitate to contact the Local Office by phone at 519-427-6993 or via [email](#).

November 28, 2025

Happy Friday! I cannot believe that it will be December on Monday. November was packed with travel and meetings for myself and I would like to share some of what I have been doing with you.

Last week, I attended the OFL Biennial Convention for the first half of the week and it was packed with meetings, resolutions and a march to Queen's Park to appeal Bill 33. Unfortunately, Bill 33 was passed but this was a great opportunity to get to know other Labour Unions and vote on who was representing various Caucuses! One of Grand Erie's own was elected Vice President Equity (Women's)! Congratulations to Michaela Kargus who is the First Vice President at GEETF. Below is a photo from Tuesday morning of the ETFO Delegation. I am in there within the sea of Red for Ed. To share your

disappointment in the passing of Bill 33, please see our [poster](#) with a script prepared for you to reach out to Doug Ford and your Local PC MPP.

This past week, I attended the Provincial Health and Safety Conference along with Vice President Maryanne as well as the Humanity Fund Board meeting. You have likely noticed the line on your paystub which indicates your donation to the Humanity Fund. We were one of the first Locals to have this deduction enshrined in our Collective Agreement, thank you to past President Ralph Savage for his dedication to this extremely important cause. The Humanity Fund Board meets twice per school year and reviews applications from charities around the world to make donations to various projects that promote the growth and support of universal education. This fall, we had so many applications regarding food insecurity as well as sustainable projects in third world countries. We had 46 applications in total and were able to ensure that we had fulsome conversations on each application. Please consider making a donation to your Local Food Bank this holiday season. This was also the last meeting for one of our Board Members as she is retiring. We did take a picture of the Board Members present which I am sharing below.

Our Seasonal Social is quickly approaching but there is still time to [register!](#) We will be socializing, playing games (gift card prizes!) and enjoying a meal. Some of our Honourary Life Members will be in attendance along with guests from the Board. We hope to see you there!

Please do not forget to complete our [Local Bargaining Survey](#). We will use this survey to determine the focus of Local Bargaining. We are also tracking which buildings are providing keys to Daily OTs. There has been a Letter of Agreement in our Central Collective Agreement regarding access to keys since 2012. I am tracking this issue as it has become apparent that some schools are still not providing them to Daily OTs. Your name will never be used in these discussions but it is imperative that you complete this [form](#) if you have been to a school and have not received a key to lock your classroom door.

Call for Presenters from ETFO Provincial

The Provincial Office is seeking facilitators for Classroom Management for Occasional Teachers. Please see the flyer [here](#). They need Occasional Teachers who are interested and have effective classroom management strategies to apply.

Provincial is also seeking interested Members for the upcoming Annual Meeting to act as Poll Clerks and Assistants. If this is of interest to you, please apply [here](#). Applications are due by March 1, 2026. They are also seeking applications from qualified Parliamentarians for the Annual Meeting. If you are interested in applying for this role, please see the form [here](#). Applications are due by January 19, 2026.

Bargaining Bite

10.01 For pre-determined long-term occasional assignments known to the Board for at least 15 school days prior to the commencement of the assignment and of at least two (2) months duration, the Board shall post such assignments electronically for a minimum of four (4) school days (or four (4) calendar days during July and August).

I have had many questions regarding LTOs lately. The above language outlines when LTOs must be posted. If an LTO is not posted, due to a Teacher having a medical leave extended week to week, the Daily OT who is in the classroom can be asked each week if they would like to return the following week, or for so many days. We refer to these as "rolling LTOs" as there is no predetermined end date and they do not need to be officially posted unless if the Teacher is going to be off for a minimum of two months and it is known at least 15 days in advance of the absence starting.

We do have some upcoming events over the break (Skating) as well as a Pregnancy and Parental Leave workshop (virtual) in January. I will be sending more information regarding these events in the next couple of weeks.

December 5, 2025

The countdown is on!! 10 days left until Winter Break! I don't know about you but I am looking forward to this break with much more enthusiasm than previous years.

We had a great turnout at our Seasonal Social on Wednesday evening. Many of you walked away with great prizes. I enjoyed spending time with everyone who attended. We even had guests from Human Resources and a few of our Honourary Life Members. If you were unable to make it out, don't fret, we have more social events planned for after the break.

While you are making your plans for the Winter Break, please do not forget about our Free Public Skate. Information can be found [here](#). This event is open to everyone, family, friends and community members.

Please save the date for a "Paint Night with Nicole." Our paint night is scheduled for January 13, 2026. More details to come next week!

We also have a Pregnancy and Parental Leave session coming up on January 19, 2026. This will be a virtual event. You can register [here](#).

For those of you holding out hope for an Itinerant LTO Position this school year, you are going to have to wait a bit longer. This program is not being activated at this time. At this time, there are no issues with unfilled assignments that would warrant activating the Itinerant LTO Position. We will continue monitoring the unfilled absences and will be discussing this position again in March or sooner, if needed.

Please do not forget to complete our [Local Collective Bargaining Survey](#). Completion will not only add your name to the draw for a \$25 Gift Card but will also inform your Local Collective Bargaining Committee of Local Goals for the upcoming round of Local Bargaining.

I hope that you have a restful weekend. If you have any questions or concerns, please do not hesitate to reach out to the Local Office by phone at 519-427-6993 or via [email](#).

Wednesdays. You can view our Ed Worker Solidarity poster [here](#). You can share your photos with the Local Office and we will post them in upcoming emails or on our Social Media pages.

13.03 a) When an Occasional Teacher is called to an assignment for a half day, it will be either for the morning or the afternoon. No casual Occasional Teacher will be paid for less than one-half day. Remuneration paid to Occasional Teacher will be prorated for assignments less than full-time.

b) For full day absences reported after the start of the school day and before the 2nd half of the day, an Occasional Teacher will receive 1.0 FTE pay for the day.

If you have been paid for less than a full day for a late call, please let me know. It is extremely important that we review our paystubs to ensure that we are being compensated adequately. The only reason that you should be paid for less than a full day is if you are aiding a Teacher's return to work.

If you do have any questions or concerns, please do not hesitate to reach out to the Local Office by phone at 519-427-6993 or via [email](#).

15.04 (a) The Board shall give a minimum of two (2) hours' notice of cancellation of any assignment. The Board shall attempt to contact the Occasional Teacher to notify them of the cancellation. It is the responsibility of the Occasional Teacher to answer their telephone and check voicemail messages. If the Occasional Teacher reports to work, they will not be paid.

(b) Should an assignment be canceled without such notice, the Board shall pay the Occasional Teacher the pay they would have received for that assignment for that day provided the Occasional Teacher reports for, and completes, alternate professional duties.

This is the same information that I sent out on Tuesday when the Board made the late Inclement Weather call. I want to clarify as I did receive a lot of emails following my email to you. When the Board declares inclement weather, your assignment will disappear in ADS. The Board can still see the assignments. For the cancellation on Tuesday, there was less than two (2) hours notice for those booked for a full day or an assignment. Those who were scheduled, will be compensated. However, those scheduled for the second half of the day did receive adequate notice and will not be compensated. Anyone in an LTO will be paid.

The last sentence in 15.04(b) refers to when an assignment is cancelled due to reasons aside from Inclement Weather closures. If your assignment is cancelled without two (2) hours notice and you report to school, you can be assigned alternate duties such as preparation payback or supporting students.

February 6, 2026

Well, Wiarton Willie predicted an early spring this year although our counterparts south of the border are in for six more weeks of winter! Did you participate in any fun Groundhog Day activities?

I have some exciting news for our new graduates! The Canada Student Loan Forgiveness Program has extended to include Teachers. You can find all of the information that you need to know [here](#). Graduates that work in an area that has a population of less than 30,000 could qualify for for the program. Please read the information carefully and complete the application. There is an easy postal code look-up feature to check your eligibility. The forms require a "live signature" so once you have completed your application and are ready to submit it, please email the form to Human Resources - Cynthia Townson for a signature. You will be notified by the Board once your application is signed and is ready to be picked up. Your application will be waiting at the main reception of the Education Centre (349 Erie Ave).

As you are aware, we are currently collecting signatures on the Smaller Class Sizes Big Difference petition. These petitions can be found in the Staff rooms of our schools. I encourage you to sign, only once, and complete this [form](#) once you have signed the petition in a school. The names collected on our google form will be cross referenced with the actual petitions and once confirmed, will be added to a draw for a chance to win one of two \$50 gift cards of your choice.

19.01 The Board may allow a leave of absence to an Occasional Teacher. Such leave will not be unreasonably denied. In granting the leave of absence,

the Occasional Teacher's name shall be removed from the Occasional Teacher Roster for a period of up to and including one (1) school year. The Occasional Teacher shall be returned to the Occasional Teacher Roster at the end of the leave provided that the Occasional Teacher is available to accept assignments and advises the Board's Human Resources Department thirty (30) days prior to the end of the leave.

*These leaves are important as when an OT is unavailable for an extended period of time and Smartfind continues to reach out to them, it slows the system down. If you are only going to be unavailable for a short period of time, please ensure that you are inputting your dates into Smartfind so that it can skip your name on the dates that you are unavailable. The system will still call you for future dates.

If you have any questions or concerns, please do not hesitate to reach out to the Local Office at 519-427-6993 or via [email](#).

Does auto insurance cover belongings damaged in an accident?

If you get into an accident, you probably think first about making a claim, repairing your vehicle, or potential medical bills. But there's something else that often gets overlooked: the fate of your personal belongings inside your vehicle. Items like your phone, laptop, or sports equipment can get damaged or destroyed in an accident. So, does your auto insurance cover these items, or will you have to pay for them yourself? Understanding what your policy covers can help you avoid unexpected expenses and make more informed decisions about your insurance needs.

February 13, 2026

Happy Friday! I hope that you were able to enjoy some of the nicer weather this week. It was a very busy week for me as I was catching up after spending last week in Toronto for meetings. I also had a meeting with MPP Brady as well as a meeting with Director Roberto.

Left to Right - Steph Scott (Grand Erie DECE President), Sarah Kuva (CUPE 5100 President), Carolyn Proulx-Wootton (GEETF President, MPP Bobbi Ann Brady, Amanda Gagnon

In our meeting with MPP Brady, we brought forward our concerns with the cuts to funding as well as the ongoing concerns of workplace violence that our Members face every single day when they go to work. We spoke about the need for smaller class sizes and the need for better detail when classes are created also known as class composition. We left MPP Brady with a copy of Promises Unfulfilled. You can view the document [here](#).

We brought the same concerns to Director Roberto, specifically, unmet student needs. We also spoke about our budget wish list which includes more supports for students as well as a DECE in every class that has a kindergarten student and the need for more maintenance staff. We also spoke of the state of our aging buildings and shared some specific concerns regarding sites with ongoing maintenance needs.

We started our day with the Director at North Park in the Innovation Hub, which is available to all schools in Grand Erie. I would highly recommend, if you are in a LTO, that you try to get your students involved in some of their activities. They also provide extended activities to complete once you attend one of their sessions. Students from Agnes Hodge were learning about drones while we were meeting in their Green Room space. We also had the opportunity to tour the Cosmetology space at Paris District High School and enjoy a lunch prepared by their Hospitality program.

If you receive ETFO's CB Newsletter, you will have received an email this week outlining the Central Bargaining Goals for the upcoming round of Bargaining.

As you are aware, we are currently collecting signatures on the Smaller Class Sizes Big Difference petition. These petitions can be found in the Staff rooms of our schools. I encourage you to sign, only once, and complete this [form](#) once you have signed the petition in a school. The names collected on our google form will be cross referenced with the actual petitions and once confirmed, will be added to a draw for a chance to win one of two \$50 gift cards of your choice.

5.05 (a) Upon written request from the Occasional Teacher, evaluations will be conducted in accordance with the Board Procedures.

(b) The evaluations will be carried out at an agreed upon date within four (4) weeks of the written request on a date to be pre-arranged between the Principal and the Occasional Teacher.

I hope that you are able to spend some quiet time this long weekend to reflect and reenergize as we move into the last two weeks of February. If you find yourself struggling with the tragic events that unfolded in BC earlier this week, I encourage you to access the Board's EAP services. You can view the brochure and information on accessing supports [here](#).

February 20, 2026

Happy Friday! I hope that you were able to spend some quality time with your family on Family Day. While this was a shorter week, especially with our Inclement Weather Days on Wednesday and Thursday, it was still a very busy week at the Local Office.

On Tuesday I was able to attend Federation Day with our Teacher Candidates at Laurier in Brantford. This was a great opportunity for the Local Presidents in Grand Erie to attend with our Provincial 1st Vice President, Shirley Bell. Teacher Candidates were able to learn about our Federation and what it means to be a Union Member. There was also an opportunity for questions from the Candidates.

I participated in my Health and Safety Recertification on Wednesday, virtually, prior to braving the weather to head to Toronto for our annual Political Action Conference. The conference which started Wednesday evening, continued through the day on Thursday.

At the Political Action Conference we heard from a panel of speakers on Local Democracy and School Governance and a second panel brought forward a discussion on Bringing the Community into the Conversation. We heard about the Political Context not only in Ontario but also as it relates across North America.

We had two workshops, one on Building Bargaining Power through Coalitions, and one on the Political Landscape and the School Board Governance Local Election Process. We have already created a Coalition in Grand Erie and we work together to organize information pickets and rallies. We also organize events for our Local Trustees throughout the year to ensure that we have open lines of communication between our Trustees and the Local Federations.

After we met with MPP Bobbi Ann Brady last week, I thought that I would share her weekly column with you. You can read it [here](#). It is focused on the funding of Public Education.

As you are aware, we are currently collecting signatures on the Smaller Class Sizes Big Difference petition. These petitions can be found in the Staff rooms of our schools. I encourage you to sign, only once, and complete this [form](#) once you have signed the petition in a school. The names collected on our google form will be cross referenced with the actual petitions and once confirmed, will be added to a draw for a chance to win one of two \$50 gift cards of your choice.

Local Letter of Agreement #2 refers to our agreement with the Grand Erie District School Board regarding our Annual Health and Safety Training.

New Occasional Teachers hired to the board must complete the training within thirty (30) workdays of their date of hire. Happy Friday! I am not sure about you but, February was extremely busy and seemed like it was the longest month of this school year! The countdown is now on for March Break. I have also had some questions regarding talking politics in the workplace. ETFO Provincial has created a document which provides important information on your right to talk about politics in the workplace as well as how you can support Bargaining in the workplace. You can view the tip sheet [here](#).

As you are aware, we have been collecting signatures on the Smaller Class Sizes Big Difference petition. I encouraged you to sign, only once, and complete this [form](#) once you have signed the petition in a school. The names collected on our google form will be cross referenced with the actual petitions and once confirmed, will be added to a draw for a chance to win one of two \$50 gift cards of your choice. If you have not completed the google form yet, please do so as we will be drawing names at our upcoming Executive Meeting on Thursday, March 12, 2026.

If you are in a LTO, there is a new program from Kids Help Phone.

Kids Help Phone has developed a program that can be used by educators to support mental health in the classroom. Counsellor in the Classroom program promotes the discussion of mental health and well-being among young people. It offers two modules, one of which can be used in elementary classrooms. The modules are independent of one another and can be completed according to the grade level and needs of your classroom.

Mental Health and Help-Seeking (Grades 4-12)

Each module is divided into two parts. The first part includes classroom activities led by the educator. The second part includes a 45-minute phone or video call conversation between the class and one of Kids Help Phone's professional counsellors.

The program aims to help students gain a better understanding of mental health and well-being, identify how they can seek support, feel more confident in seeking support, and foster a space that feels supportive and destigmatizing.

To learn more and register for this program visit the [Kids Help Phone website](#).

Central Letter of Agreement #15 refers to the "Hiring Practices" which were agreed to by ETFO, The Ontario Public School Board Association and the Crown. Please see the details below.

The Parties acknowledge that successful teaching experience within the school board, including daily and long-term occasional experience, is valuable in the hiring process.

Teaching experience within the school board will be a factor considered in accordance with Ministry and school board policies in the selection of a successful candidate for a position as a long-term occasional teacher.

Where a candidate is unsuccessful in the hiring process, and requests feedback, it will be provided within 30 days of the interview.

Related provisions in Part B of the collective agreement shall remain in effect.

If you have any questions or concerns, please do not hesitate to reach out to the Local Office at 519-427-6993 or via [email](#).
