

Ministry Supports for Math Instruction

This document lists ministry-developed resources that support the implementation of the Elementary Mathematics Curriculum 2020.

Webinar / Teleconference Registration (open access for all)

Register for live webinars and teleconferences on a variety of math topics offered throughout the school year on ontario.educatorwebinars.ca

Virtual Learning Environment (VLE) (login required)

Access webinar recordings, classroom ready resources, and self-guided learning modules in the “**Supports for Virtual Learning**” eCommunity on the VLE.

For instructions on how to access the VLE, please visit: ontario.educatorwebinars.ca/vle

Curriculum and Resources Site (open access for all)

The New Elementary Math Curriculum is available at dcp.edu.gov.on.ca where you will also find:

- [High-Impact Instructional Practices in Math](#)
- [Key Changes – Ontario Mathematics Curriculum](#)
- [Overview of Math Curriculum Videos](#)
- [Sample Long-Range Plans](#)
- [Pedagogical supports embedded in the curriculum](#)
- [Growing Success: The Mathematics Addendum, Grades 1 to 8, 2020](#)

Additional professional learning opportunities and resources will continue to be released throughout the 2020-21 school year.
